Can you help to build the UK's first
**CANCER SUPPORT, AWARENESS
& EDUCATION CENTRE**
right here in the North East by becoming
a member of the FACT 500 Club?

Fighting All Cancers...Together!

For more information about our plans, or to offer to help
our exciting project, please contact **0191 4420833**
or email bigbuild@fact-cancersupport.co.uk

www.fact-bigbuild.co.uk

FACT, Denise Robertson House, Clasper Way, Swalwell, NE16 3BE.

To whom it may concern.

I was wondering if you and/or your organisation would be able to help with a project I am currently supporting.

Following Joanne Smith's diagnosis of breast cancer in 2005, she set up FACT (Fighting All Cancers Together) to help people and their families in the North East, affected by cancer. Since then, FACT has grown from strength to strength and now offers over 8,000 support sessions a year.

By 2020, almost 1 in 2 people in the North East will be diagnosed with cancer. Thankfully, new and improved treatment and care means many people are surviving and living longer following a diagnosis. However, this means that more people need support services, and need them to help them live with and beyond cancer. Support needs to catch up with medical advances!

FACT has big plans to make sure that the people of the North East have all the support they need to cope with a diagnosis of cancer, and this is where I would like to respectfully ask that you consider supporting our exciting plans and become a member of our exclusive '500 Club'....here is one way you can help, but if you have any other ideas about how you would like to be involved, please let me know.

Would you like to join FACT's '500 Club' and see your name and/or logo on the founder's wall of the UK's first Cancer Support, Awareness & Education Centre? This multi-million pound, state of the art facility will benefit thousands of people every year. FACT is looking for people to join it's exclusive '500 Club'.

By becoming a member, you not only become part of this unique project you also receive a range of additional benefits.

I've joined I hope you will too.

Let the challenge begin!

Can you help FACT open the UK's first CANCER SUPPORT, AWARENESS & EDUCATION CENTRE on the site of the former Dunston Hill School?
